

Please be aware that your key fob is to be used only for your own personal entrance and any family members

13-17 years of age outside of staffed hours of operation. Members with 24-hour access cannot grant access to other non-family individuals, even if they are Marshfield Clinic Health System YMCA members and known to you. Members who violate this policy will lose their membership privileges.

The YMCA has 24-hour indoor and outdoor video surveillance which will be reviewed daily to address any security concerns and monitor who is using our 24-hour facility. Please note that this system does not provide staffing assistance for any emergency that might arise. We highly recommend that you exercise with another member who has 24-hour access during non-staffed hours. In the event of an emergency, a telephone and an AED is located in the Healthy Living Center (2nd floor); an AED is located in the fieldhouse (1st floor); and a telephone is located at the Welcome Center (1st floor). The Marshfield Clinic Health System YMCA address is posted by the telephone and emergency personnel will be able to access the building during non-staffed hours of operation.

For safety purposes, parking lot lights will remain on after the Y closes. Please park your vehicle in a well-lit area of the parking lot.

Snow removal will not be enforced until staffed hours of operation, possibly later due to certain weather conditions. Members with 24-hour access can utilize the YMCA, but at their own risk from the elements.

When using the Fieldhouse Gym, members are responsible for bringing their own balls/equipment. Other areas of the Y will be staffed during advertised hours of operation, but once the Y closes, there will be no Y staff on hand to assist members. After staffed hours of operation, ONLY Marshfield Clinic Health System YMCA adult and family members, 13 years of age and older, will have access to the YMCA.

Monday–Thursday	5:00 am – 8:00 pm
Friday	5:00 am – 7:00 pm
Saturday	7:00 am – 1:00 pm

\*\*Please refer to the Y's website and social networks for normal business hours and holiday hours.

## AGE REQUIREMENTS

24-hour access to the Marshfield Clinic Health System YMCA is for Marshfield Clinic Health System YMCA Adult & Family Members only, 13 years of age and older. Members between the age of 13 and 17 must be accompanied by their parent or guardian on the family membership. Each adult member wanting 24-hour access is required to have their own key fob and must use it to gain access outside of staffed hours of operation. Key fobs will only be sold to those 18 years of age and older.

## KEY FOBs

The primary member on the YMCA membership will be required to sign the 24-hour access waiver on the membership application to receive key fobs for any family members, 18 years and older, wanting 24-hour access to the Marshfield Clinic Health System YMCA. Key fobs can be purchased from the Y Welcome Center during staffed hours of operation for a one-time fee of \$25 for all adults on the membership. If a Y member damages or loses their key fob, they should report that to the Y as soon as possible. A replacement key fob can be purchased for \$10. Your key fob is unique to your membership and will allow access as long as your membership remains current.

**To access the YMCA, hold the key fob up to the fob reader to the right of the main entrance door, you will hear the door activate and see the reader light turn from red to green when the key fob is read. Upon activation, pull on the door to gain access (there is a 5 second time limit). To exit the Y, simply exit any door. When entering and exiting the YMCA, please ensure the door closes behind you. Do not hold the door for anyone other than your family, as they will need to use their key fob for access.**

## DAY PASS POLICY

Non-members are welcome to use the Marshfield Clinic Health System YMCA facilities, during staffed hours of operation, by paying the appropriate day pass fee upon arrival. Non-members will not be allowed 24-hour access, as it is for Marshfield YMCA members only. If a Y member provides 24-hour access to a guest, that Y member will lose their 24-hour access privileges and possible termination of membership.

## HONOR CODE

With 24-hour access to our Healthy Living Center, Strength Training Center, and Roehl Fieldhouse & Track, the Marshfield Clinic Health System YMCA is adopting a strict honor code based on Y values of honesty, respect, caring and responsibility. If a Y member fails to abide by the guidelines established, their 24-hour access and potentially their membership will be revoked with no refunds given. These guidelines are in place for the safety and security of our members and deviations from our values are deemed inappropriate to our mission.
