

# PICKLEBALL RULES

The five most basic pickleball rules are:

1. Serving must be underhand from the baseline, diagonally crosscourt, and the serve cannot land in the no-volley zone (kitchen).
2. The serving player/team must let the return of serve bounce.
3. The ball must stay in bounds during play and bounce no more than once per side.
4. Players cannot hit the ball in the air when in the kitchen.
5. Games are played to 11, win by two. Points are only scored by the serving player/team.

There are more rules to the game, but these five will help you to get started. Have fun!

## YMCA SPORTS CODE OF CONDUCT

Personal conduct while interacting with other participants and Y staff must be done in a considerate way. The YMCA wants all adult and family sports to be fun and enjoyable for everyone participating. We understand these sports can be competitive, but players who cannot conduct themselves in a respectful manner will not be permitted to continue playing and asked to leave. There will be a no-tolerance policy enforced throughout our adult and family sports programs. Please be courteous to everyone involved.

## PICKLEBALL INFO

Pickleball is a fun sport that combines many elements of tennis, badminton and ping pong. The game is played by 2 or 4 people on a short, lined court using a paddle and a plastic ball. Beginner and experienced players are welcome!

The YMCA offers indoor pickleball from October through April and provides pickleball instruction, open court time, and tournament play for players of all ability levels. Try this increasingly popular sport that will guarantee a great workout while offering a very social and competitive game.
