

VACATION AT THE Y

SCHOOL'S OUT CARE FOR STUDENTS IN GRADES K-6

What, no school today? Kids love a day off from school, but those days pose challenges for families who have other responsibilities. The Y's VACATION AT THE Y program allows parents and caregivers to maintain previous commitments, like work or school, on both planned and unexpected days off of school (in accordance with the Marshfield School District) while knowing their children will be in a safe, nurturing and exciting environment. Children have opportunities to engage in enrichment activities including: arts & crafts, being active, and playing games.
