# GROUP EXERCISE CLASS DESCRIPTIONS

At the Y, we offer group exercise classes for all ages, all levels and all interests. We trust you'll find a group class that's fun, supportive and keeps you moving. Below is a detailed listing of our current offerings. Yoga participants are required to bring their own yoga mat.

## **CHAIR YOGA (45-minute class)**

Chair Yoga includes all the benefits of a flowing yoga class such as mindfulness and flexibility, but is a gentle style of yoga that is done using a chair and other props. This class does not go down to the mat.

## **CORE FIT (45-minute class)**

This class features controlled abdominal and back exercises designed to create and define a strong core. Both standing and on the mat core moves will be performed, weights may be used. Positive coaching will help you achieve improved posture and self-confidence.

## **FULL BODY STRETCH (50-minute class)**

Regular stretching compliments any workout routine, helps to relieve stress in the body, and improve well-being. Benefits of stretching include more flexibility, increased mobility, and improved muscle tone. Join us in a guided, slow paced on the mat stretch that includes gentle to advanced stretching options. Bring a mat and small blanket.

## **SILVERSNEAKERS CLASSIC (45-minute class)**

Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing/seated circuit workout. Upper body strength work with hand-held weights, elastic tubing with handles, and a SilverSneakers ball is alternated with low impact aerobic choreography. A chair is used for standing/seated support, stretching, and relaxation exercises.

## **STRONG YOU (45-minute class)**

This cardio and strength workout includes seated and standing exercises using a variety of handheld equipment. Strong You can help increase muscle strength, bone density, and improve motor skills. Recommended for active older adults.

## **STABILITY BALL (30-minute class)**

This dynamic ball workout will enhance your balance, core strength, and overall fitness. Using a ball requires constant body awareness and counter balance during your workout improving coordination. This class will include a variety core, resistance, and strength training exercises.
